

# A-Len Automotive Expands To Provide A Superior Customer Satisfaction Experience

A-Len Automotive Service Center offers auto repair and maintenance services to the Downers Grove, IL community, including DuPage County and the surrounding areas

**Great Prices - Quality Work  
Quick Turnaround Time**

A-Len is your one stop shop for automotive repair and maintenance, radiator and air conditioning services, and specialty small engine repairs. Our ASE certified mechanics are trained and qualified and provide quality work and excellent customer service at prices you can afford.

Family-owned and operated since 1987, A-Len Automotive services both foreign and domestic vehicles, including light

and heavy duty trucks and specializes in heating and air conditioning system repairs and replacements.

Over the last 24 years they have built an outstanding reputation for honest and dependable service by taking on the tough jobs that many shops don't dare to touch and doing those jobs right.

To kick off their 25<sup>th</sup> year in business, A-Len is expanding their operations to provide more services and products than ever before plus the ultimate customer satisfaction experience.

Their friendly and professional staff will answer any questions you may have about the company or their services. Whether you are in need of automotive repair or maintenance, radiator and air conditioning services, or even engine repair, they are the full service, licensed and insured one-stop automotive shop you can trust.
